

Creating a customized nature guide

is as easy as...

Pick the names of the plants and/or animals you want to feature on your guide...

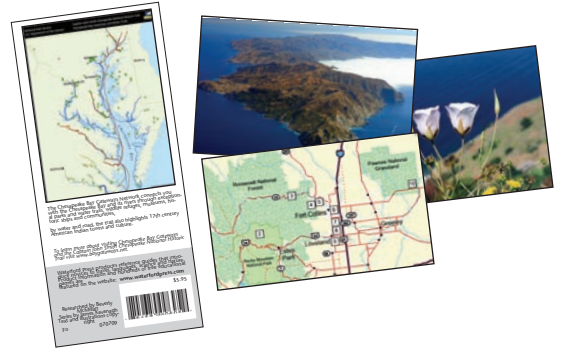

Ruby-throated Hummingbird
Archilochus colubris
To 3.5 in. (9 cm)

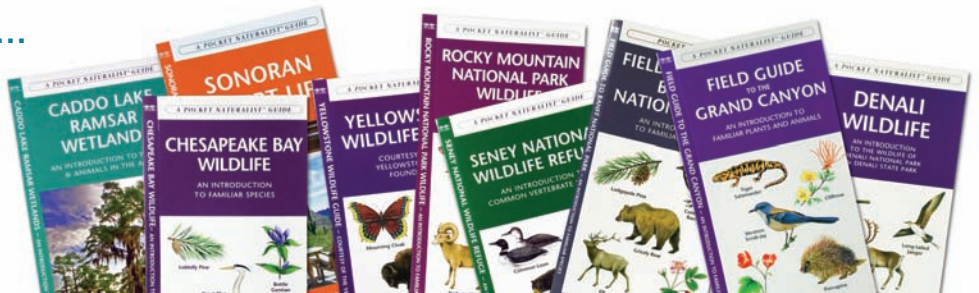

Monarch
Danaus plexippus
To 4 in. (10 cm)

Provide an image, text and logo for the back panel of the guide...

Name your guide...
That's it!

Create a Customized Nature Guide for Education & Fundraising Activities

In addition to its flagship line, Waterford Press produces customized nature guides for a number of organizations including national and state parks, museums, and some of the nation's most prominent non-profit organizations and conservation groups. Waterford's existing custom-published products are proven sellers and single titles have generated tens of thousands of dollars in revenue for the sponsoring organization.

The details of our custom publishing program, as well as our pricing guidelines, are available upon request. For more information, call 800-434-2555.
